---

## PROFESSIONAL SUMMARY

---

Passionate fresher currently pursuing a Bachelor of Technology in Artificial Intelligence and Machine Learning, with hands-on experience in developing AI-driven projects. Skilled in programming languages and technologies such as Python, Java. Focused on writing clean and efficient code, solving problems creatively, and improving user experience through strong teamwork and technical skills.

## EXPERTISE IMPLEMENTATION

---

### Drug – RAG:

- Developed a GenAI powered RAG chatbot to extract and answer queries from drug related PDF documents using vector embeddings and semantic search. Implemented document ingestion, text chunking, ChromaDB vector storage, and Gemini API for context aware response generation.

### Face Recognition Attendance System:

- Developed a contactless attendance system using Deep Learning models Face Net to detect and identify faces, extracting embeddings for high accuracy and automatically logging data into Excel.

### Smart Rent Analyzer:

- Created a Streamlit-based ML app that helps users decide between renting and buying houses in Chennai using real data, Multiple Linear Regression, and financial analysis for better housing decisions

## INTERNSHIP

---

### Tomato Leaf Disease Classification using Hybrid CNN-Attention Model (Mizoram University)

- Developed a deep learning model using EfficientNetB3 with a multi-head attention mechanism for accurate classification of tomato leaf diseases
- Implemented transfer learning and image preprocessing techniques to improve model performance and generalization

## EDUCATION

---

### RAJALAKSHMI ENGINEERING COLLEGE

Bachelor of Technology in Artificial Intelligence and Machine Learning  
Tamil Nadu, Chennai | 2022-2026 | CGPA: 7.77 (up to 7th Semester)

## ADDITIONAL INFORMATION

---

**Technical Skills:** Python, Java, AI&ML

**Soft Skills:** Collaboration, Teamwork, Adaptability.

**Languages:** Fluent in Tamil, English.

## CERTIFICATIONS

---

- Cloud Computing – NPTEL
- Deep Learning & Neural Networks – Learning Path (LinkedIn Learning)
